Joint Committee on Judiciary

Dear Chairs Olsen and Nethercott and Members of the Committee,

On behalf of the American Society for Reproductive Medicine (ASRM), I am writing to express strong opposition to [HB 0152](#), which would curtail the reproductive rights of the residents of Wyoming and leave some facing life-threatening risk.

ASRM is a multidisciplinary organization of nearly 8,000 professionals dedicated to the advancement of the art, science, and practice of reproductive medicine. Distinguished members of ASRM include obstetricians and gynecologists, urologists, reproductive endocrinologists, embryologists, mental health professionals and others.

Wyoming already has some of the most stringent abortion laws in the nation. Passing HB 0152 would only make access to critical reproductive care more difficult and, indeed, dangerous.

On behalf of ASRM, I strongly urge you to oppose the passage of HB 0152 to protect the health and lives of Wyoming families.

For more information, feel free to contact me or Sean Tipton, our Chief Advocacy and Policy officer at Stipton@asrm.org or 202-421-5112.

Sincerely,

Michael A. Thomas, MD
President
American Society for Reproductive Medicine
