Hilton Riverside New Orleans
Two Poydras Street
6:00 Reception
7:00 Dinner and Auction
Benefiting the ASRM Research Institute
Black-tie or Mardi-Gras attire optional

This year, the ASRM President's Gala benefits the ASRM Research Institute, which has granted more than \$3 million since its establishment in 2018. The institute serves as a catalyst for groundbreaking discoveries in reproductive medicine and access to care. This year's Gala will support further growth and research.

The Gala is attended by 550+ ASRM members from all across the globe. Sponsors can mingle with leaders in the field during the reception and enjoy a delicious New Orleans-style dinner with other patrons. Additional networking time is built into the dessert course.

Sponsors play a crucial role in this high-energy event, and recognition packages provide maximum exposure throughout the Scientific Congress and President's Gala registration process.
