

Abstract and Traveling Scholar Awards

In- Training Awards

Resident In-Training Award

This award will recognize the presenter of an exceptional abstract who is currently a resident in training in the field of obstetrics and gynecology or urology. To apply, individuals must be the presenting author (first), must be a resident in training, and must attend the ASRM 2023 Scientific Congress & Expo in New Orleans, LA to present the abstract.

The awardee will receive:

- \$500 USD
- One-year free ASRM membership
- Free registration for ASRM 2023 Scientific Congress & Expo in New Orleans, LA

In-Training Awards for Research

Five (5) In-Training Awards for Research will be granted in recognition of outstanding research conducted by individuals who are in-training. Individuals must be the presenting (first) author; must be a medical student, resident, fellow or undergraduate, graduate or postdoctoral student; and must attend the ASRM 2023 Scientific Congress & Expo in New Orleans, LA to present the abstract.

Each awardee will receive:

- \$250 USD
- One-year free ASRM membership
- Free registration for the ASRM 2023 Scientific Congress & Expo in New Orleans, LA

Society of Reproductive Surgeons (SRS) In- Training Awards for Research

Three (3) SRS In-Training Awards for Research will be granted. The purpose of these awards is to recognize outstanding research conducted by individuals in training. Individuals must choose the "Surgery" category when submitting an abstract. The candidate must be the presenting author (first); must be a medical student, resident, fellow, or undergraduate, graduate, or postdoctoral student; and must attend the ASRM 2023 Scientific Congress & Expo in New Orleans, LA to present the abstract.

Each awardee will receive:

- \$250 USD
- One-year free ASRM and SRS membership
- Free registration for ASRM 2023 Scientific Congress & Expo in New Orleans, LA

Professional Group Prize Paper Awards

Association of Reproductive Managers (ARM) Prize Paper Award

This award is made possible through the generous support of the ARM Board of Directors. Individuals must choose either the "Business of Medicine" or "Professional Development" category when submitting, be the presenting (first) author, and attend the ASRM 2023 Scientific Congress & Expo in New Orleans, LA to present the abstract.

The awardee will receive:

- \$500 USD to member abstract presenter

Nurses Professional Group (NPG) Prize Paper Award for Research

The purpose of this award is to recognize outstanding research conducted by nurses. Individuals must choose the "Nursing" category when submitting an abstract. The candidate does not have to be a member of ASRM at the time the abstract is submitted, however, they must be a nurse, the presenting author (first), and attend the ASRM 2023 Scientific Congress & Expo in New Orleans, LA to present the abstract.

The awardee will receive:

- \$500 USD prize check
- One-year free ASRM and NPG membership
