

Articulate Mobile Player: Installing the App

iPad Installation

1. On your iPad, search the app store for Articulate Mobile Player.
2. Click Get, then click Install.
3. Sign in with your Apple ID and password when prompted, and the app will automatically install.

Tip: If you launch an Articulate course on an iPad where AMP hasn't yet been installed, you'll be prompted to install it with a link that opens the store directly to the app.

Android Installation

1. On your Android tablet, search the Google Play Store for Articulate Mobile Player.
2. Click Install.
3. Accept the app permissions request.
4. The app will automatically install.

Tip: If you launch an Articulate course on an Android tablet where AMP hasn't yet been installed, you'll be prompted to install it with a link that opens the store directly to the app.
