

SCHEDULE-AT-A-GLANCE TUESDAY, OCTOBER 25, 2022

| | | |
|---------------------|---------------------------|--|
| 7:00 am - 8:00 am | Women's Council Breakfast | |
| 8:00 am - 8:30 am | Plenary Session | From Genomic Junk to Rising Stars: Noncoding RNAs in Ovarian Aging CME ABB ACOG |
| 8:30 am - 9:15 am | Plenary Session | Telomere Maintenance in the Context of Human Aging Processes CME ABB ACOG |
| 9:15 am - 10:00 am | Plenary Session | Linking Heterogeneity in Fetal Development to Oocyte Fate and Fitness CME ABB ACOG |
| 10:00 am - 10:45 am | Break | |
| 10:45 am - 12:15 pm | | Scientific Congress Prize Paper Session 2 Oral Abstract Sessions |
| 10:45 am - 12:15 pm | | Video Abstract Session 2 |
| 11:00 am - 12:00 pm | Clinical Sessions | MHPG Clinical Session: Quality Improvement: Improving Patient and Provider Experiences APA NASW NPG Clinical Session: Mosaicism for Nurses NPWH NSGC |
| 12:15 pm - 1:30 pm | Break/Lunch | |
| 12:20 pm - 1:20 pm | Roundtable Discussions | RTT01 – RTT21 |
| 12:20 pm - 1:20 pm | Resident Learning Session | |
| 1:30 pm - 2:30 pm | Interactive Sessions | The Genetics of a Successful FET: Ultrasound Imaging and PGT-a or Endometrial Gene Profile? CME Ovarian Tissue Cryopreservation for Emerging Primary Ovarian Insufficiency: How, When and Why? CME ABB ACOG NPWH Building Diversity, Equity and Inclusion into a Reproductive Practice CME Complex Reproductive Genetics Case Discussions CME ABB ACOG NPWH Understanding the Complex Role of Progesterone Supplementation in the Recurrent Miscarriage Patient CME ABB ACOG NPWH Macroscopic Vs Microscopic: Which Matters More for Uterine Factor Infertility? CME ABB ACOG Human Genome Editing: Current State, Future, and Concerns CME Updating Your Toolkit: Fertility Preservation Advocacy, Access and Advancing Mandates for Coverage CME ABB ACOG NPWH |
| 1:30 pm - 2:45 pm | Symposia | The Howard and Georgeanna Jones Symposium on Assisted Reproductive Technology (ART): IVF Lab Benchmarking – Key Performance Indicators for Future Success CME ABB ACOG The Society for the Study of Reproduction (SSR) Symposium: Use of Single-Cell RNA Sequencing to Probe Cell Identity & Function and Reveal Tissue Organization CME ABB ACOG The Role of Nutrition, Obesity, Exercise, Environment, and Overall Health in Male Reproduction CME ABB ACOG NPWH Gamete and Embryo Donation for the 21st Century CME ABB ACOG APA NASW NPWH NSGC Precision Medicine Approaches to Addressing Disparities in Uterine Fibroids CME ABB ACOG NPWH Moving Novel Therapies from Bench to Bedside: Collaboration Between Basic, Pharma, and Clinical Efforts CME ABB ACOG NPWH Strengthening Fertility Education and Awareness Globally: A Joint WHO / ASRM Symposium CME ABB ACOG APA LPC |
| 2:45 pm - 3:30 pm | Break | |
| 3:00 pm - 4:30 pm | Lecture | The Business of Medicine: Panel Discussion and Insight Session |
| 3:30 pm - 4:15 pm | Plenary Session | Menopause Keynote Lecture: Menopause Keynote Lecture: The Menopause Transition: Shifting Scientific Paradigms CME ABB ACOG NPWH |
| 3:30 pm - 4:15 pm | Plenary Session | American Urological Association (AUA) Bruce Stewart Memorial Lecture: A New Paradigm CME ABB ACOG |
