

How to Begin or Resume an Online Course

1. Go to www.asrm.org and click “**ASRM Academy**” (located in the upper right corner on a desktop computer).
2. Click “Login” and log in to your account.

3. Once you have logged in (or completed the account registration process) and click on “**CLICK HERE FOR MY ASRM ACADEMY COURSES**” to access the courses. You should be redirected to the course learning software.

4. Choose the course you want to start or resume and click “Course title”.
