

How to Register for an Online Course

1. Go to www.asrm.org and click “**ASRM Academy**” (located in the upper right corner on a desktop computer).
2. Click “**Login**”.

3. On the “Login” page, log in to an existing account or click “Register” to **create a new ASRM account**.

4. Once you have logged in (or completed the account registration process), the online learning catalog will display. The default setting is to display only courses that you are eligible to take based on your credentials and professional information. However, you can choose to show all courses.

5. You can also filter the online learning category by keyword search, topic, and/or types of available credits.

The screenshot displays a web interface for filtering online learning courses. On the left, there are three filter sections: 'Eligible', 'Keyword', and 'Topic'. The 'Eligible' section has radio buttons for 'Eligible only' (selected) and 'Show All'. The 'Keyword' section has a text input field and a 'Go' button. The 'Topic' section has a list of topics with checkboxes: 'Andrology/Urology Education (1)', 'Certificate Courses (6)', 'Continuing Medical Education (4)', and 'Andrology (1)'. Below this is a 'Credits' section with checkboxes for 'Show Events offering credits (25)', 'ABB PEER Credits (2)', 'AMA PRA Category 1 Credit(TM) (7)', and 'ADA CE Credits (2)'. On the right, a table lists courses with columns for 'Course Name' and 'Price'. The table shows 7 courses, with the first one being 'Mental Health Professional Training Modules: Basic Infertility' priced at \$109.00. The table is titled 'Displaying 1 - 7 of 7'.

Course Name	Price
Mental Health Professional Training Modules: Basic Infertility	List Price: \$109.00 Your Price: Free

Name:
Mental Health Professional Training Modules: Basic Infertility

Description:
This course will provide mental health professionals with a foundational understanding of the biology of reproduction, the causes and treatments for infertility, embryogenesis, and the early management of pregnancy. With a basic theoretical and practical knowledge specific to the clinical area of infertility, mental health professionals will be able to function in their roles safely and capably, ultimately contributing to improved quality of care and patient outcomes.

ACTIVITY TITLE: Mental Health Professional Training Modules: Basic Infertility

CREDIT DESIGNATION STATEMENT

- Select one or more courses by checking the checkboxes in the “Select Course(s)” column. When you are done selecting courses, click “Register now.”
